## Instructions for Recipient

The information provided may be different for covered and noncovered securities. For a description of covered securities, see the instructions for Form 8949. For a covered security acquired at a premium, unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize the premium under section 171, your payer may report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization for the year or (2) a gross amount for both the interest paid to you and the premium amortization for the year. If you did notify your payer that you did not want to amortize the premium on a covered security, then your payer will only report the gross amount of interest paid to you. For a noncovered security acquired at a premium, your payer is only required to report the gross amount of interest paid to you.

**Recipient's identification number.** For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN). However, the issuer has reported your complete identification number to the IRS and, where applicable, to state and/or local governments.

**Account number.** May show an account or other unique number the payer assigned to distinguish your account.

**Box 1.** Shows taxable interest paid to you during the calendar year by the payer. This does not include interest shown in box 3. May also show the total amount of the credits from clean renewable energy bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zone academy bonds, qualified school construction bonds, and build America bonds that must be included in your interest income. These amounts were treated as paid to you during 2014 on the credit allowance dates (March 15, June 15, September 15, and December 15). For more information, see Form 8912, Credit to Holders of Tax Credit Bonds. See the instructions above for a covered security acquired at a premium.

**Box 2.** Shows interest or principal forfeited because of early withdrawal of time savings. You may deduct this amount to figure your adjusted gross income on your income tax return. See the instructions for Form 1040 to see where to take the deduction.

**Box 3.** Shows interest on U.S. Savings Bonds, Treasury bills, Treasury bonds, and Treasury notes. This may or may not all be taxable. See Pub. 550. This interest is exempt from state and local income taxes. This interest is not included in box 1. See the instructions above for a covered security acquired at a premium.

**Box 4.** Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your taxpayer identification number (TIN) or you did not furnish the correct TIN to the payer. See Form W-9. Include this amount on your income tax return as tax withheld.

**Box 5.** Any amount shown is your share of investment expenses of a single-class REMIC. If you file Form 1040, you may deduct these expenses on the "Other expenses" line of Schedule A (Form 1040) subject to the 2% limit. This amount is included in box 1.

**Box 6.** Shows foreign tax paid. You may be able to claim this tax as a deduction or a credit on your Form 1040. See your Form 1040 instructions.

**Box 7.** Shows the country or U.S. possession to which the foreign tax was paid.

**Box 8.** Shows tax-exempt interest paid to you during the calendar year by the payer. Report this amount on line 8b of Form 1040 or Form 1040A. This amount may be subject to backup withholding. See box 4. See the instructions above for a covered security acquired at a premium.

**Box 9.** Shows tax-exempt interest subject to the alternative minimum tax. This amount is included in box 8. See the Instructions for Form 6251. See the instructions above for a covered security acquired at a premium.

**Box 10.** For a covered security, if you made an election under section 1278(b) to include market discount in income as it accrues and you notified your payer of the election, shows the market discount that accrued on the debt instrument during the year while held by you. Report this amount on your income tax return as directed in the instructions for Form 1040 or 1040A.

**Box 11.** For a covered security, shows the amount of premium amortization for the year, unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the instructions for Form 1040 (Schedule B). If an amount is not reported in this box for a covered security acquired at a premium, the payer has reported a net amount of interest in boxes 1, 3, 8, or 9, whichever is applicable. If the amount in this box is greater than the amount of interest paid on the covered security, please see Regulations section 1.171-2(a)(4).

**Box 12.** Shows CUSIP number(s) for tax-exempt bond(s) on which tax-exempt interest was paid to you during the calendar year and reported in box 8. If blank, no CUSIP number was issued for the bond(s).

**Boxes 13-15.** State tax withheld reporting boxes.

**Nominees.** If this form includes amounts belonging to another person(s), you are considered a nominee recipient. Complete a Form 1099-INT for each of the other owners showing the income allocable to each. File Copy A of the form with the IRS. Furnish Copy B to each owner. List yourself as the "payer" and the other owner(s) as the "recipient." File Form(s) 1099-INT with Form 1096 with the Internal Revenue Service Center for your area. On Form 1096 list yourself as the "filer." A spouse is not required to file a nominee return to show amounts owned by the other spouse.
